HUGHES AT UTICAL

UTICA, N. Y., April 2. Governor Hughes was the guest of honor at a banquet of the Utica chamber of com-

merce last night. The governor, introduced by the pres-

ident of the chamber of commerce, spoke in part as follows:
"The importance of providing effective state supervision of public service corporations seems to be generally coaceded. I shall not recount the giver which have made the subjections. ances which have made the subjections of paramount public interest. It is sufficient to say that the people with-

"Federal regulation is not a substitute for state regulation. Federal powers and state powers are exercised in
different spheres. Congress has complete authority over interstate commerce, and the state connect interfere

"But, however broadly interstate commerce may be defined, there will remain the problem of transportation wholly within the state and of other local public service. Over local or proper to say paything with a view or prope from interstate commerce congress has street and that he should only give exno power to exert control, and if the pression to the definite and settled citizens of the state are to be protected against abuses of corporate privileges in connection with such local or

Chicago Elections on.

CHICAGO, April 2.—Chicago's street car question, which has been before the public for the last ten years, will be settled at the polls today at the mayoralty election if the voters adopt by referendum vote the ordinances recently passed by the city council over Mayor E. F. Dunne's veto, granting twenty year franchises to the two street car companies. If these ordinances fall of public adoption and Mayor Dunne, the Democratic candidate, is re-elected, efforts will be made at once, according to Mayor Dunne, to at once, according to Mayor Dunne, to procure immediate municipal ownership of the street railways by condemnation and purchase.

Would Put Dogmas on Top Shelf. CINCINNATI, April 2.—Protesting against the manner in which the board of bishops has been trying the case of Professor H. G. Mitchell of Boston university on a charge of teaching heresy, dent of the Methodist Preachers' unlon of Cincinnati, in his farewell address to that body declared that theological dogmas are "curlos that could well be kept on the top slaft," Immediately there was a storm, mostly of protest. A few of the ministers sided

was given a pronounced ovation.

Wendel Verdiet Sent to Hughes.
